STAX

STAX is the first all-glass, modular smoking system. Components lock together in thousands of possible combinations. STAX is a great sell to customers just getting started with water pipes as it offers them the possibility of upgrading without breaking the bank.

THE PERKS OF STAX PERCS

Percs form the backbone of a STAX assembly. STAX offers five percs, each with its own balance of filtration and diffusion. Percs are more affordable than traditional water pipes, so you can grow your collection as your budget allows.
